## **AMERICAN HEART ASSOCIATION CPR OFFERED AT WESTFIELD FIRE DEPARTMENT**

### **ALL CLASSES OPEN TO THE PUBLIC!**

#### ***Basic Life Support (BLS) for Healthcare Provider CPR/AED Course (Open to the public!)***

In the classroom-based course, healthcare professionals learn to recognize several life-threatening emergencies, provide CPR on adults, children and infants, use an AED, and relieve choking in a safe, timely and effective manner. This course is designed for healthcare providers such as EMS personnel, physician's assistants, physicians, dentists, nurses, respiratory therapists or patient care technicians who must have a CPR card documenting successful completions of a CPR course. \$50

#### ***Heartsaver First Aid***

Westfield Fire Department provides skill check-offs for the American Heart Association's Heartsaver First Aid Program. This is a combined program requiring completion of an online class and a one-on-one skills session. The participant must complete both sessions. This program meets the requirements for the First Aid portion of day care certification. For information regarding the program, please call 317-804-3305. \$50

#### ***Workplace Training: Heartsaver AED CPR and/or Heartsaver First Aid***

Interested in having an American Heart Association program at your place of work? Westfield Fire Department provides Heartsaver AED CPR and Heartsaver First Aid training. Please call 317-804-3305 for more information. \$30

#### ***Heartsaver AED CPR***

In the classroom, the student will learn to provide CPR on adults, children and infants, use an AED, and relieve choking in a safe, timely and effective manner. This course is opened to all professionals wanting to learn how to save a life! \$50
